

CERTIFICATE and MARK USAGE INSTRUCTIONS

1. GENERAL

1.1. Certificate Usage

The IFC GLOBAL certificate cannot be used in scopes that are not covered by the certification.

Conformity assessment certificate cannot be used for organizations whose audit and certification have not been completed.

1.2. Use of Conformity Marks

1.2.1. Organizations certified by IFC GLOBAL must use certificates and marks in accordance with the accreditation rules.

1.2.2. The certified organization must fulfil the following requirements:

- a) When referring to certification status in communication media such as the internet, documents, brochures or advertising, the requirements of IFC GLOBAL must be followed.
- b) No misleading statements regarding its certification should be made or allowed.
- c) The certificate and any part of it must not be used or allowed to be used in a misleading manner.
- d) Upon suspension or withdrawal of certification by IFC GLOBAL, all advertising activities involving a reference to certification must be stopped.
- e) When the scope of certification is narrowed, all advertising materials should be changed accordingly.
- f) Documentation of the management system should not be used or allowed in a way that gives the impression that IFC GLOBAL certifies a product/service or process.
- g) It should not be given the impression that certification is applied to activities outside the scope of certification.
- h) The certificate should not be used in a way that would discredit IFC GLOBAL or the certification system and lose public trust.

IFC GLOBAL certificate:

- The part not included in the scope of certification cannot be used by subsidiaries or affiliates by showing them as their own,
- It cannot be used by another organization or affiliates other than the certified organization, by showing it as their own.

1.2.3. IFC GLOBAL marks:

- Can be used by organizations whose certification has been completed,
- Cannot be used by the section, subsidiaries or affiliates that are not included in the scope of certification,
- It cannot be used in laboratory tests, calibration or inspection reports,
- It can only be used in the fields of activity within the scope of certification.

1.2.4. IFC GLOBAL mark:

- It cannot be used as a product certificate.
- Cannot be used on the product (The product may be directly touched or in a package or box.)
- Products, cardboard, etc. It can be used with a statement on the outer packaging made of material to indicate that the certificate belongs to the management system and not to the product.
- It can be used on the organization's publications for advertising purposes, official documents or promotional brochures.

Document Code	Issue Date	Revision No	Revision Date	Page

1.2.5. The rules regarding the use of the IFC GLOBAL mark are given below:

Use of mark	On the product (*a)	On large boxes, etc., used for the transport of products (*b)	On advertising brochures etc.
Without explanation	Not available	Not available	Available (*d)
With explanation (*c)	Not available	Available (*d)	Available (*d)

*a Product; It may be a tangible, tangible product, or it may be a single item in a package or box.

*b Cardboard, etc., which is not thought to reach the end user. may be outer packaging made of material.

*c "This product is manufactured in an organization whose quality management system is certified according to the ISO 9001 standard." should be a clear statement.

*d It can be used provided that it complies with other requirements specified in these rules.

1.2.6. Product packaging is considered the part that leaves without the product being disassembled or damaged. Information to be provided together is considered separately or easily separable. Type labels and identification plates are considered part of the product. The statement should in no way imply that the product, process or service has been documented. The statement should refer to:

- Identification of the certified organization (e.g. brand or name),
- The type of management system (e.g. quality, environment) and the standard applied,
- IFC GLOBAL issuing the certificate.

1.2.7. The IFC GLOBAL mark can be used in the following shapes, colors, sizes (proportionally) and on a white background.

General Logo

1.2.8. The IFC GLOBAL mark will be sent electronically to the relevant organizations upon request. The IFC GLOBAL mark is also available on the IFC GLOBAL website.

1.3. Use of UAF Accreditation Mark

1.3.1. Organizations certified by IFC GLOBAL can use the UAF accreditation mark in stationery, advertising and promotional materials if the certificate is within the scope of accreditation. (The term "Promotional Materials" includes notes, labels, electronic materials, documents or written notices attached to products other than products manufactured under an accredited product certification activity. This restriction also applies to packaging and promotional materials).

1.3.2. Organizations certified by IFC GLOBAL can use the UAF accreditation mark only in accordance with the current version of the "General Rules and Conditions for Use of Mark". The current version of this document can be found at www.uafaccreditation.org

1.3.3. The conformity assessment activity subject to accreditation, the number of the standard and the accreditation number of the organization should be placed centrally under the UAF mark.
